Tourist Attractions

Santiago: capital of Chile

Valparaíso: The third biggest city in Chile and it’s known for its architecture and beaches.
Torres Del Paine: One the most important national parks in Chile and it has a beautiful lake.

Easter Island: It was first visited by the Europeans in 1722 but when the Dutch found it they found it on Easter and that is how it got its name Easter Island.
Ceviche: How the Ceviche is made is with raw fish marinated and cooked with lemon juice before being served with onions.

Choripán: The Choripán is prepared with sausages and fresh bread. The toppings used are mayonnaise, mashed avocado and Chilean choripanes; also spices used are peppers, chopped onions, garlic, olive oil and cilantro.
