Introduction

Yosemite Valley, to me is always a sunrise, a glitter of green and golden in a vast edifice of stone and space - Ansel Adams

Yosemite was the park with the first park guardian of the country, Galen Clark. In this slide we will be going over Yosemite national park and its history.

Did you know: Yosemite was one of the oldest nature preserves in the US? We will also be going over a few fun facts about Yosemite. So sit back, relax, and enjoy this presentation about Yosemite National Park. :D
Yosemite's Lava Falls

- Did you know if the time is right, at an angle the sun reflects off the waterfall, making a lava fall?
- People from all over the world come to Yosemite to photograph this wonder.
Yosemite Rocks

- Yosemite is one of the first places for rock climbing as a sport!
- El Capitan is one of the most famous mountains in the valley and hikers can take a steep trail up without climbing the rock face.
Moonbow

- At certain times, when the moon is full there are rainbows at night using the rays of the moon instead of the sun
- The conditions must be just perfect for visitors to see this spectacle
Renaissance traditions

- Yosemite's holiday traditions are rooted in the renaissance
Variety of Species

- Yosemite is home to over 400 species.
- They are between 300 to 500 black bears in Yosemite alone.
- Other popular animal sightings include deer, sheep, bobcats, and coyotes.
Ahwahnee

- A famous hotel in Yosemite, Ahwahnee was also used as a hospital for the war.
- The hotel was designed and built in the 1920's with the goal of attracting the wealthy.
Buffalo Soldiers

- Buffalo soldiers were some of the park's first protectors.
- There were approximately 500 soldiers who served in Yosemite and Sequoia National Parks.
IN conclusion these are the reasons why you should visit yosemite.
