

Character Analysis: Danny

Danny T
3-26-20
English

Character Background

- The first fact is that Danny used to be Jin.
- He really wants to be popular.
- He really like the ladies

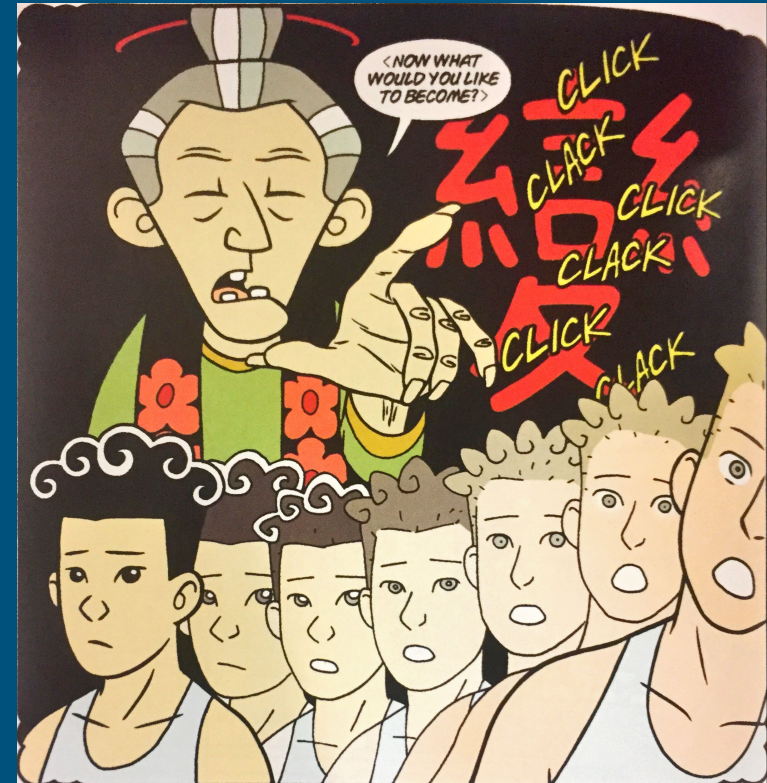

Internals

Mental: I think that he was really intelligent. He was smart at his work and he also did not like his cousin Chin Kee.

Spiritual: He is not really religious.

Emotional: His emotions in this book where up and down. He was sometimes angry at Chin Kee and then happy when he saw the girl that he likes.

Externals

Dress

- He had his hair up and spiky to look cool.
- Another thing was that his clothes are stylish.

Movement

- His movement was smooth and calm.
- He seems really confident

Externals

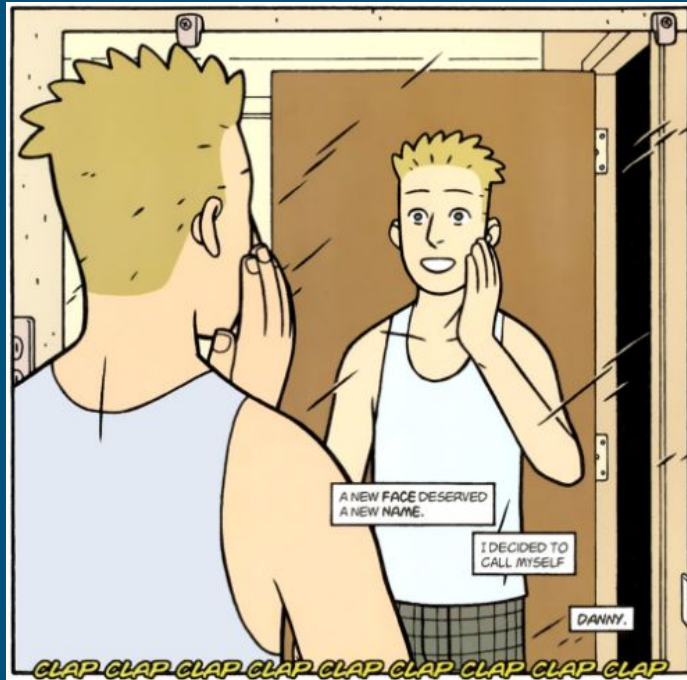

Posture: This posture was straight and he keep his back straight

Mannerisms: His mannerisms is that he tries to get all the girls' attention

Personal Thoughts

My personal thoughts on Danny are that he is a kind person. But he wants to try to fit in with everyone everything. He wants to be a person that everyone likes and he does not want to be a loner.
