

I am a gamer and athlete

I understand how to play video games

I worry about me losing the game

I believe im a good gamer

I hope I can get a better gaming pc

I am a gamer and athlete

I dream about become a famous gamer

I wonder if I would become famous

I try to do my best at video games

I want a good setup

I am a gamer and athlete

Game Over
By Tanner W

The game is over and you see the game over sign

As you look it's a retro theme with palm trees and a sun that are highlighted with black and pink

You realize you have to insert your soul

But you don't want to

And then you start seeing something come out of you but you can't stop it

It suddenly stops as you try to run but you can't

As you run you only get closer to the game over sign

As your tired you just stop because you cant escape

But then you wake up to see it was only vr
