Immunization Record

Dear Winston Parents,

Please provide a copy of your child’s immunization records to The Winston School front office.

Thank you,

Dena Harris – Head of School
Mary Sterling-Torretti - Assistant Head of School

The Winston School

WHOOPING COUGH VACCINATION NOW REQUIRED FOR ALL STUDENTS IN GRADERS 7-12

Vaccination requirements (SB277) took effect on January 1, 2016. California state law requires ALL students who will be in grades 7-12, to be immunized against Whooping Cough. In addition, a new law went into effect on July 1, 2019, where students will now need proof of 2 Varicella vaccines. Proof of the Tdap and 2 Varicella vaccinations must be submitted at the start of the new school year, which begins Monday, August 26, 2019. Students will NOT be allowed to start the 2019 Fall school year until showing proof of having received these vaccines. Students who have been given a Tdap shot on or after their 7th birthday will meet the school immunization requirement by providing proof of immunization.
