My Dream Bedroom

By Isabella
My Room Dimensions

My room's dimensions will be 10 by 13 by 8
For my wall color, I will have two walls that are pink, and two walls covered in wallpaper. The pink paint I'm using is 1 gal. #P160-5 Pinkadelic Eggshell Enamel Low Odor Interior Paint. It costs $27.98. The wallpaper I'm using is SCANDINAVIAN ARROW REMOVABLE WALLPAPER FOR KIDS ROOM, WHICH COSTS $10.00.

How much paint I need: 13x8=104 + 10x8= 80 added together = 184 square feet for paint
How much wallpaper I need: 104 + 80 = 184 square feet for wallpaper
So next I had to do the flooring for my room, and I chose this wood: Heirloom Pine 8.7 in. W x 47.6 in. L Luxury Vinyl Plank Flooring. I also knew I had to add a rug.

The flooring costs $3.19, per square foot, and the dimensions are 8.7 inches by 47.6 inches and I need to figure out how much I need in my room and how much it costs. So the area of my room is 130 square feet, and the area of my single flooring tiles is 414.12 square inches. The total cost for flooring is $414.70.

The rug I will get for my room is New Orleans Shag Off White 7 ft. x 7 ft. Square Area Rug it costs $241.67 (didn't get a picture because the home depot website was being weird)
Furniture

My bed will be MALM High bed frame/2 storage boxes, black-brown, Queen, which costs $224. Because you also need a mattress on a bed, I'm going to get MYRBÄCKA Memory foam mattress, which costs $499. I also need bedding, and I found KIRSKÅL Comforter set, 7-pieces, white, gray, Queen, which costs $79.99, then I also got two LAPPTÅTEL Pillow, high, Standard, which cost $2.49, then I also wanted some decorative pillows, so I got Mermaid Sequins Throw Pillow Pink/White - Lush Décor, which cost $16.79, and 20"x20" Ombre Decorative Throw Pillow – SureFit, which cost $24.99.
In my room I will also add a desk, and I will use MICKE Desk, white, 41 3/8x19 5/8 " it costs $79.00. I'm also going to add a chair at my desk, Soho Tufted Swivel Desk Chair – Safavieh, which costs $253.59. I will also put a dresser in my room to organize all my clothes. KOPPANG 5-drawer chest, black-brown, 35 3/8x44 7/8 ". It costs $149. I will also put some storage bins in my room because I have a lot of junk and it takes up a lot of space. For storage bins I'll use Storage Bin Floral Pattern Blue - Threshold™ it only comes with one but I need 4 so I have to buy multiple. To buy 4 it costs $43.96. I will also need a shelf to put the bins in so I'll use 34" Loring 4 Cube Bookcase - Project 62™. It costs $129.99.
Because who doesn't want a tv in their room, I will also add a tv to my room. The tv I chose was LG 24" Class 720p 60Hz LED HDTV – 24LF454B, which costs $109.99. So I don't have to spend extra money on a tv stand, I will mount the tv on the wall with Sanus Fixed TV Wall Mount for 22-50" TV'S - Black (AML2), which costs $39.99. I also want to put a beanbag chair in my room so I can have a space to chill. The beanbag chair I will get is Sensory-Friendly Water-Resistant Cocoon Seat with Machine-Washable Cover - Pillowfort™, which costs $74.99.
So for my lighting, I will get a ceiling fan, a desk lamp, and a set of string lights. The fan I would get is **46" Hatherton Ceiling Fan with Light - Hunter Fan**, which costs $119.99. The lamp I'm using is **LANTLIG LED work lamp, gray**, which costs $39.99. For string lights I got 3 kinds because I'm just that type of person: **Clear Globe Lights White - Room Essentials™**, which costs $9.99, **LED Globe Fairy String Lights - Opalhouse™**, which cost $13, and these cute little **Fairy LED Rainbow String Lights White - Room Essentials™**, which cost $5.99. I don't need to worry about getting light bulbs for my fan because it already comes with it. I will also put natural light in my room because there will be a window.
In my room I will put a lot of posters on the walls, as well as a bulletin board where I will put pictures and notes and quotes I like and things. The bulletin board I’ll use is **SVENSÅS** Memo board with pins, cork dark brown, 13 ¾x23 ½, which costs $9.99. Here are all the posters I’d get:

- **Lisa Argyropoulos Lavender Peonies Art Print 8” x 10” - Deny Designs, $16.00**
- **Bree Madden Fading Sea Art Print $20.00**
- **HARRY POTTER - HOGWARTS ILLUSTRATED $10.99, 18”x24”**
- **Lisa Argyropoulos Happy Vibes Blushly Unframed Wall Poster Print Pink - Deny Designs $19.00**
- **Wonder Forest Folky Forest Monogram Letter Art Print Unframed Wall Poster Gray - Deny Designs $16.00**
- **Iveta Abolina Emmaline Art Print Unframed Wall Poster Green - Deny Designs $16.00**
I also have a couple of other decorations to put in my room. So I thought I would get Taylor Swift - Lover (Target Exclusive, Vinyl - 2-Disc Color Set), because it’s just cool, and it would make a pretty cool decoration actually. I also wanted Harry Potter Erised Mirror Gold, because if you didn’t know, I’m a Harry Potter fan, and I could always use a mirror in my room. The mirror costs $29.99. Also I forgot to write this, but the record is $24.99. I also want Metallic Star Confetti, because it would be kind of cool if I could stick them on the roof of the room.
Itemized Chart

Here's the link to the google doc with everything on it:
