

# My Theater Room Project

By Moses

# Room dimensions

My room is going to be:

16ft x 12ft x 8ft

# So how much paint?

Well, I did some calculations and got this:

$$(8 \times 12) \times 2 = 192$$

$$+ = 452 \text{ ft}$$

$$(8 \times 16) \times 2 = 256$$

---

I found the paint  
print I want

and it costs:

\$29.89

---

And man this theater is going to  
be beautiful as heck

I decided to buy the  
highest quality roof  
fan:  
fan:

And it costs:

\$229.99

I also found a great deal on a theater chair pack:

It did cost:

**\$8,957.52**

But I got 24% off and it costs:

**\$6,786.00!**

I also found a great  
blanket soft blue  
carpet :

And it costs:

**\$18.99**

Item	Quantity	Price
Starlight Wall Painting Print	1	\$29.89
Blue Together Carpet	1	\$18.99
Diamond encrusted ceiling fan	1	\$229.99
Chair comfort pack	1	\$6,786.00!

**Total cost: \$7046.89**

And that's it guys
