

Bill Gates

By: Sarah

About his life:

Married- January 1st 1994.

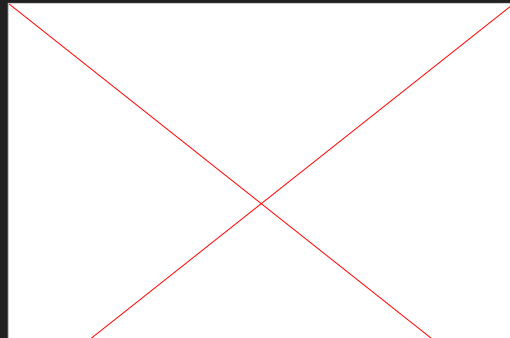

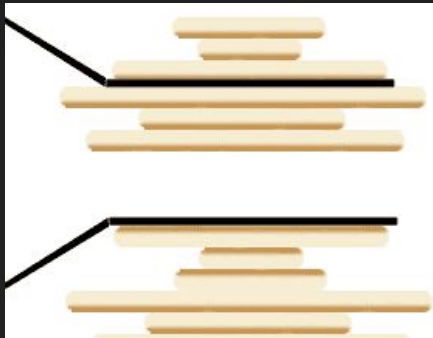

Attended Harvard university-Fall, 1973.

Gates fomed microsoft- April 4th 1975.

Mathamatical accomplishments:

Pancake problem:

This process includes flipping(a reversal of a prefix.) Each element i or i is treated like an operation that takes a proposition to another proposition "not " written, which is interpreted intuitively as being true when is false, and false when is true.
