

Timeless '20s Party at The Winston School

Courtesy

The Winston School Student Council hosted a Timeless '20s party Jan. 8 during lunch with activities, such as a photo booth and hot chocolate. The students dressed up as to what they thought the new '20s would be like—would it be filled with flappers, futuristic attire, or a little bit of both? The students and staff, who had an

exciting time snapping photos with the Polaroid and catching up after a long winter break, were excited to be back in the roaring '20 and are ready to achieve all of the new goals the students at Winston have.
