

Character Analysis:(Chin-Kee)

Yvette I
3/24-20
English

Character Background

- Danny's cousin
- He's from China
- He visits Danny every year and goes to school with him.

Internals

Mental: he loves America

Spiritual: He likes to be on time

Emotional: outgoing and gets everyone's attention

Externals

Dress

- He dresses like a typical person in China.

- His hands are always together

Movement

- Hes slow

- He's always laughing

Externals

Posture: hes kinda hunched over

Mannerisms: He does'nt have manners

Personal Thoughts

I think that Chin-kee is the way that he is because things in China are a lot different than they are in America. He's not used to being in a big school with a bunch of people that do not look like him. I don't think that he wants to embarrass Danny on purpose he just likes being in America where he can follow all of his dreams.
